Sheriffs and Chiefs should receive monthly financial reports so they can monitor their victim assistance fund on an ongoing basis.

All relevant parties should be well informed of the victim advocate’s job duties and a job description is required to be updated as needed based upon their duties.

For accountability purposes, monthly, quarterly, and year-end direct victim service reports should be provided by the Victim Advocate to all relevant parties.

All relevant parties should be aware of the Approved Guide for sustainability purposes. (Approved Guide can be found on the DCVC website below under the Auditing tab)
